The lowest medal score of the day was turned in by Miss Laura Kaiser, of Flossmoor, Chicago, who went out in 49 and came back in 46, for a total of 95, bettering the women's par at Kent by four strokes. Mrs. W. F. Anderson, of Hinsdale, Chicago, was second low with 96, and Miss Marjorie Edwards, of Middeling, Chicago, third with 97.

CLUBS IN DEADLOCK OVER ZIMMERMAN

Chicago. Aug. 21. Negotiations for a trade between the Braves and Cubs. involving the transfer of Heine Ziminvolving the transfer of Heine Zimmerman to Boston, reached a deadlock to-day after Manager Stailings had conferred for several hours with President Weeghman and Manager Tinker.

The Hoston offer for Zimmerman, though it was not given out, fell short of what the Cub management considered an equivalent for the third baseman, and a counter offer by Manager Tinker to trade Zimmerman for Maranville did not prove acceptable to Stallings. The Boston club, it is understood, offered to give Chicago two outsideders or a young pitcher. ielders or a young pitcher.

The American Horse Breeders' Futurity, the two-year-old trot, the first futurity raced in the big show this year, attraced much attention and was easy for Real Lady, the favorite, with Murphy up. May Coburn was the class of the field and finished second in the two heats. Worthy Volo giving her some competition in the second heat.

Miss Harris M. gave her supporters a shock in the 2:07 pace when, after winning the first heat, she broke and Raon Hal went to the front. However, Miss Harris M., who was the favorite, staged a comeback in the third heat, winning handily.

There may be smarter pitchers left in the game than Dick Rudolph, but just at this moment we fail to recall their names.

Who would you say had lost more games than any other pitcher in either league! You are wrong. The name is Walter Johnson. And the queer part of this is that only Alexander has won more than the Washington star.

"I have bet," writes A. G. K., "that the Browns will finish third. Am I going to win or lose?" If we knew we'd try to go out and get one section of the same bet. The Browns will finish third if they can beat out Cleveland, Detroit and New York.

Among those who are not yet willing to concede that Tris Speaker will beat out Ty Cobb is a fellow by the name of Ty Cobb. And Ty has no idea of changing his opinion until the full returns have been verified. There is supposed to be a reason for everything that exists. But here is a

mystery that has puzzled us for many weeks, viz .: Just why are the four Western clubs of the National League? "Tris Speaker is a great fellow," says Owner Dunn, of Cleveland. And

there is a rumor extant that Mr. Baker, of the Phillies, is willing to indorse Grover Cleveland Alexander. "Who wants to bet me," writes R. L. H., "that John McGraw and Connie

cap, the two-year-old leature of the card offered by the Saratoga Association this afternoon.

This youngster races for Samuel Ross, the Washington sportsman, and recently he showed his class here by winning handily. To-day, to score in the Albany, he took the measure of August Belmont's Deer Trap very easily. After the finish Tommy McTaggart, who rode the Belmont colt, lodged a claim of foul, charging that Troxier on Crank had fouled him in the backstretch. The charge was a frivolous one and was not allowed.

John Sanford saw his colors in front in three of the six races that were offered when Leochares. Bac and St. Isidore each won. After Bac's victory he was boosted from \$1,500 to \$3,500, and when St. Isidore scored he was carried from \$800 to \$3,000. Both were run up by H. Fink, who has been very busy all season in selling races, and both were protected and hought in.

The steeplechase of the afternoon was won by Lewis Garth's Rhomb rather easily, and at the end of the card in a thrilling finish H. P. Whitney's Bellringer was just up to beat out J. S. Ward's Sedan.
